
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. **This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 833-834-1172 or visit [join.collectivehealth.com/bassmedicalgroup](https://join.collectivehealth.com/bassmedicalgroup). For definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters
What is the overall <a href="#">deductible</a> ?	For in- <a href="#">network</a> services: \$1,000/Individual, \$3,000/Family For out-of- <a href="#">network</a> services: \$2,000/Individual, \$6,000/Family	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. In- <a href="#">network</a> <a href="#">preventive care</a> and certain other services are covered before you meet your <a href="#">deductible</a> . See services marked " <a href="#">Deductible</a> does not apply" in the Limits, Exceptions & Other Important Information column of the Common Medical Events table below.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits">https://www.healthcare.gov/coverage/preventive-care-benefits</a> .
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	For in- <a href="#">network</a> services: \$5,000/Individual, \$10,000/Family For out-of- <a href="#">network</a> services: \$10,000/Individual, \$20,000/Family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance-billed charges, and health care this <a href="#">plan</a> doesn't cover are not included.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .

Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://join.collectivehealth.com/bassmedicalgroup">join.collectivehealth.com/bassmedicalgroup</a> or call 833-834-1172 for a list of <a href="#">network providers</a> .	You pay the least if you use a <a href="#">provider</a> in the BASS Medical Group <a href="#">provider network</a> . You pay more if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
